#### Customer Eligibility for the Rebate (application on back of this form)

Qualifications to receive a toilet/fixture rebate for single family home, condo or multi-family dwellings no larger than four units:

1. Rebates are limited to an annual amount of \$100 per household. Rebates are available on first-come, first-served basis until funds are exhausted.
2. Property where toilet/fixture is installed is a customer of Janesville Water Utility.
3. New construction is not eligible; tub faucets are not eligible.
4. New toilet/fixture must be listed on EPA's WaterSense model list.
5. Applicant must be the owner of the property listed on the rebate application.
6. Owners who occupy the dwelling (live full-time at the dwelling) may either use a licensed plumber to install the toilet/fixture or do it themselves. Owners who do not occupy the dwelling (i.e. landlords) must use a licensed plumber to install the toilet/fixture.
7. An original or copy of dated sales receipt (dated on or after May 27, 2010) listing the make and model numbers, **MUST** accompany the rebate application.
8. A picture showing proof of installation is required to be attached to the application in order to receive the rebate. If installed by a plumber, no picture is needed if address of installation is on invoice/receipt.
9. Applicant agrees and understands that Janesville Water Utility or its representatives reserve the right to inspect the installation of the fixture before or after the rebate credit is mailed out to the applicant.
10. Applicant understands that Janesville Water Utility may withhold rebate until any or all of the above listed conditions are met.
11. Old toilets or fixtures cannot be reused
12. Submit application to: Janesville Water Utility
